ARE YOU FACING THESE CHALLENGES WITH YOUR RECRUITMENT PROCESS?

- Finding the right talent?
- Quickly scaling up or down?
- No budget available for direct hiring?
- Spending too much time to recruit new staff ?

OUR RECRUITMENT SERVICES

We've got the right people. When you're dealing with a constant struggle to stay ahead of global competition, budget constraints, and rapid technological changes in the digital sphere, you need the best people on your team. Finding and recruiting those people can be a challenge. Let us help you find the perfect fit for your company.

Interim Staffing

Our interim staffing solution is ideal for organizations that are in transition or going through a change. If you require short-term assistance with a specific project or skill set, we will staff it for you. NMQ has the solution by providing experienced, qualified and T-shaped staff from its pool of experts, specially trained to meet your needs. If, after the contract expires, you wish to continue working with the expert, we can extend the contract upon request.

Digital Marketing Organizational Development

As leaders in digital marketing operations, the NMQ team understands the skill sets you'll need to succeed in today's world. With our digital marketing operations expertise and focus, NMQ helps businesses develop their marketing organizations teams with the best talent set up to take advantage of inbound marketing and emerging technologies. Our approach is focused on digital skills development and hiring for long-term success.

OUR VALUE PROPOSITION

Digital Talent Pool

More than 250 digital marketing specialists. Talented, action driven, committed and selected to excel across business cultures.

Global Coverage

Through our five global locations we provide non-stop business support. We cover 20 languages.

Technology Agnostic

We use your technology stack, but we can also advise how to take your operations to the next level.

Scaling Flexibility

Our business models provide flexibility to scale-up or down, making it easy to cope with market or strategy changes.

Return On Investment

Our rates provide a great return on investment and free up time to focus on short term revenue growth and long-term brand value creation.

NMQ's staffing provides the benefit of sector experience as well as the ability to start at full speed. With our staffing solutions, you can extend the capabilities of your team or fill jobs faster with a pool of NMQ candidates that has grown over a decade.

Shorter Recruitment Time

With a pool of NMQ candidates specialized in multiple disciplines of digital marketing operations, NMQ's recruitment service can help you fill jobs faster. This allows NMQ to provide talent for various positions that require different or combined skills. Because we work in a variety of industries, we understand the expertise and skills required for a job to be a success.

Sophisticated Assessment Center

We help you meet your staffing needs by delivering high-quality, trustworthy, and stable candidates via high-touch recruitment processes that ensure the right fit for your company.

Specialized Talent Pool

NMQ's experts are formally educated and trained to provide a full range of digital marketing operations services to meet your brand's audience, your goals and support your growth.

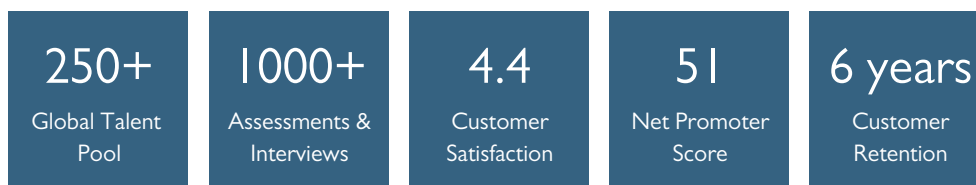

Flexibility

You can hire an interim expert with the option to conclude contracts as short as 6 months. We will give you our undivided attention, and we will handle all administrative matters, including payroll, on your behalf.

Bypass Headcount Freeze

Get rid of the hassle of your business's constant restructuring and reorganization, seasonal business growth, high turnover, and the budget discussions and constraints that come with it.
